hanti Nath Manufacturers started its operation in nineties and grew to become a name in its product range. Our brand 'Supreme' is synonymous with everlasting quality, innovative designs, prompt deliveries and unending quest of customer delight.

'Supreme' is hallmark in bathroom and kitchen fittings and accessories.

Founded in the year 1999 by Mr. Ravi Jain, the company is consistently working towards meeting the sanitary demands of several segments through an exquisite range. Further, with our designing capability and ability to customize the bathroom & kitchen faucets, we have been able to fetch a huge client base spread across the globe.

For ensuring optimum quality of our range of designer mixers, associated fittings and accessories, we have adopted a set of quality norms for manufacturing. Our quality inspectors and experts in the domain undertake stringent quality tests based on these norms and ensure that our designer mixers, associated fittings and accessories are free from any defects. Some of the quality tests that we conduct on our designer mixers, associated fittings and accessories, are – Material Test, Hydraulic Pressure, Floor Rate Test, Coating Thickness Test & Nickle & Chrome Adhesion Test.

“ **FROM BRASS BARS**  
**INTO DESIGNER FAUCETS:**  
**THIS IS HOW WE CREATE MAGIC** ”

The production of Supreme faucets is a complicated process with multiple stages, The level of quality is controlled at every stage. Designed with skillful unification of creativity and engineering. Supreme has combined un-matched functional expertise with a promise of excellence giving the customers an alluring experience they desire!

*Touching the depth of the soul*
